

ST KILDA FESTIVAL 2013

Sunday 10th February

Permit Requirements for CoPP Registered Food Act Traders

The sale of drinks (including alcohol) from the road or footpath outside your business is permitted on the following conditions:

- Your business **MUST** be a registered food premises with the City of Port Phillip Health Services Unit. All non food businesses will **NOT** be permitted to sell food, which includes drinks.
- The only food permitted to be sold from the footpath or road outside your business are ice-cream, soft drinks, coffee and alcohol (beer, wine only). Must be served in plastic; no glass is permitted. Food prepared inside your premises under normal operating conditions may be served by wait staff to outside extended trading areas.
- All other food is **NOT TO BE SOLD** from the footpath or road areas and only from within your premises, as per usual. This includes (and not limited to) pre prepared sandwiches, hot food from Bain Maries, all potentially hazardous food, freshly squeezed juices and salads.
- BBQ's and other cooking or hot holding facilities are **NOT** permitted on the footpath or road. This equipment will be requested to be removed on the day.
- The sale of alcohol from the footpath or road is subject to Victorian Commission for Gambling and Liquor Regulation licensing approval and will only be permitted from premises currently holding a suitable Liquor License.

Site Requirements for a Festival Extended Trading Area

Once approval is granted for the sale of drinks (including alcohol), the following site requirements must be adhered to on the day:

- The permitted food must be stored in a manner that prevents the contamination of the food, particularly by dust, insects and customers.
- Food such milk for coffee and bottled juice, must be stored refrigerated at all times directly adjacent to the specific location. This includes milk for coffee being stored in a refrigerator directly adjacent to the coffee making facilities.
- All food equipment and utensils must be kept clean and where necessary sanitised.
- Impervious garbage receptacles for the temporary storage of waste must be provided.
- You must ensure that the site is left clean and tidy after the event.

Should you have any further queries regarding health requirements please contact City of Port Phillip Health Services Unit on 03 9209 6292.
