

# Statement of trade for mobile food premises

## Food Act 1984 (Vic)

This statement of trade is for mobile food premises, including vans and trailers from which food is sold. The vehicle may operate from different locations or at a single existing site.

If you have a current state-wide registration certificate for a class 2 or 3 mobile food premises (or if your principal council has accepted your ongoing class 4 notification of mobile food premises) under the Food Act you can operate these premises anywhere in Victoria, but before you do so you must inform the councils in which you will be trading about your intentions.

At least five days before trading, you must lodge a Food Act statement of trade (SOT) in each council district where you will be operating. This includes your principal council, if you operate in that district. This form can be used for **ALL** council districts in Victoria.

If you know your planned trading schedule for a period of time – whether it be a week, a month, or longer - this can be listed in this form. You do not need to complete a separate form for each event or period of trading within different council districts. One form can cover all your activities in all districts.

For the trading details section you must list the date range at which the vehicle may operate from the site eg 1/9/2011 – 1/3/2012. If your vehicle is roaming, you are only required to enter the municipality. If you are operating from a site permanently, complete the remaining details.

### How to lodge this form:

This form must be submitted to **each council** in whose district you will be trading. A copy must also be given to your **principal council** so that it understands the extent of your operations, and can answer any questions asked by other councils. The principal council is the one you are registered with, or have notified, under the state-wide system.

To find out the name of the other council(s) that you intend to operate in, along with their contact details, refer to the Department of Planning and Community Development (DPCD) website [www.dpcd.vic.gov.au/localgovernment/find-your-local-council](http://www.dpcd.vic.gov.au/localgovernment/find-your-local-council) or telephone DPCD on 1300 366 356.
